

**City of Jersey City
Energy Audit RFP
Addendum #4
July 23, 2010**

1. Has the City of Jersey City already hired an ESCO to develop their Energy Savings Improvement Program (ESIP)?

No.

2. What is the exact NJDPMC qualification code that a firm must be classified in order to meet the criteria of the RFP? Is it under a Contractor as an Energy Services/ESCO (CO36) or, as a Consultant classified for Energy Auditing (discipline 51)?

Energy Auditing (discipline 51)
