HEALY: Pedestrian Curfew Activated Schools Ordered Closed Until Monday

JERSEY CITY – Mayor Jerramiah T. Healy, in conjunction the **Office of Emergency Management and the Chief of Police**, has activated a pedestrian curfew to coincide with the business curfew. All schools have been ordered closed until Monday.

Healy, exercising caution and concern for residents' safety, ordered that pedestrians must remain off city streets starting at 7 p.m. to 7a.m. This ban also applies to all businesses.

“We have to provide for the welfare and safety of all our residents. These limitations will assist us in achieving this goal,” Healy said.///
