City Hall Gallery to Feature Artwork of Local Women
Two renowned artists to display their artwork during the month of April

JERSEY CITY – Mayor Jerramiah T. Healy will host an opening reception for the April Rotunda Exhibit from **6 to 8 p.m. on Thursday, April 12, 2007, at City Hall, 280 Grove Street.**

This month's exhibit will feature the artwork of two local women, Marjorie Bingham and Pat Dickey. The women have both been recognized for their talent and their work has been displayed in several local galleries.

Ms. Bingham's work is known for its unique style of watercolor and shadow boxes. Ms. Dickey uses still life objects to explore issues relating to the environment and nature.

"These two artists have a distinct style that sets their artwork apart from their contemporaries," **Mayor Healy** said. "We are fortunate to have such a varied and vibrant artist community in Jersey City."
