BATTERY OPERATED SMOKE DETECTORS & CARBON MONOXIDE DETECTOR CERTIFICATION FORM

Submitted to the Fire Official
 City of Jersey City, N.J.

As required under The New Jersey Uniform Fire Code N.J.A.C. 5:70-3, 103.4, Technical Assistance. The Fire Official is authorized to require **the owner or agent** to provide, without charge to the jurisdiction, a technical and opinion report. The opinion and report shall be prepared by a qualified specialist, laboratory or fire safety specialty organization acceptable to the fire code official. The reports are to determine the acceptability of technologies, processes, products, facilities, materials and uses attending the design, operation or use of a building or premises subject to inspection by the Fire Code Official.
